## **PARKING PERMIT RULES**

Students may not drive or park on school property during the school day without displaying a **VALID SCHOOL PERMIT**. Parking fees are **non-refundable**.

**Driving/Parking Violations:** Parking is a privilege at Milton High School. Milton is a closed campus. Once you arrive on campus, you may not leave without required parental permission. This privilege may be suspended or revoked at any time. A student's parking permit, driving or parking privileges may be suspended for the following reasons:

- Parking in an area other than the one to which the student has been assigned. **Vehicles will be booted** if they are parked in an area not assigned to the student.
- Operating a vehicle in a manner that is detrimental to the safety of oneself or others
- Failure to obey speed limits or other laws governing driving
- Using the vehicle to break other school rules; i.e. leaving school grounds in the vehicle without permission from school authorities
- Going to the vehicle without permission during the day or loitering before/after school
- Lending one's parking permit to another person (permits are NOT transferable)
- Excessive absences or tardies – **If a student accrues 5 or more unexcused absences, they may risk losing their parking privileges. Parking fees are non-refundable.**
- You must provide a **Class C or Class D** driver's license
- 

**Parking without a valid permit – Vehicles not displaying the proper decal will be booted.** Cost of the boot removal will be \$50. If the student must drive a vehicle other than the one registered, the student must obtain a **TEMPORARY PARKING PERMIT from Room 1320**. Vehicles will also be booted if they are parked in an area other than the one the student has been assigned.

**Use of a vehicle to violate school policy** – Students are not permitted to leave the school grounds during the school day unless they have checked out through the Attendance Office. Any student with a valid parking permit who leaves school without administrative permission may have his/her parking privileges suspended as follows:

- **1<sup>st</sup> offense** – Parent notification AND 1 week suspension of parking privileges
- **2<sup>nd</sup> offense** – Parent notification AND loss of parking privileges for the remainder of the semester
- **3<sup>rd</sup> offense** – Parent notification AND loss of parking privileges for the remainder of the school year.

When a student parks on school property, he/she consents to a check of the vehicle with or without cause by school officials or law enforcement officers.
